

May 2021

Our fortnightly zoom meetings for all members are continuing at present, interrupted by occasional sketching evenings, weather permitting. During May, we enjoyed a zoom demonstration by Ian and Ros, two of our members, on digital art and a sketching evening at Tania's allotment. We hope to be able to resume our regular weekly sessions at LOSCA during June, depending upon the most recent Government restrictions.

In the meantime, we have an exhibition of paintings at The Haven, in Hill Head until 31 July

And here are some examples of the work which is on display there.....
