Spring 2022 - Edition 30

Version 1, 30 November 2021

WELCOME EVERYONE

This term, we plan to meet at 7pm on our usual Wednesday evenings, in our usual room. **Please wear masks throughout the sessions, to protect your fellow artists, and use the sanitiser provided, thank you.**

Theme – Human Forms

Figures are always a challenge to include in our paintings, so by popular request we are revisiting this topic. We get off to a flying start with a life model on 12 January. Then we look forward to welcoming back the much-appreciated Stewart Beckett in February, and a further life model session in March.

The usual £28 subs will fall due at the start of term, with payment by any of:

- Cash
- Cheques (payable to Solent Art Society please)
- Bank Transfer (bank account details will be available at the meeting on the 14th December)

(Unfortunately we can no longer use the Sumup for this).
